Roll call.

Determination that a quorum is present.

Motion by Mike Balsler, second by Josh Blakeman, to approve the January 26, 2020 Design Review Board meeting minutes. All in favor, motion passes, unanimously.

Lot 440-5 Application

Edwin Lindell with ETL Architects presents the application on behalf of the lot owners, Anita Cody and Ray Cody.

Review of lot size, set backs and matrix.

Proposed design is for RV and car storage facility and parking, no residences are proposed.

Working with the county on the west side setback accommodations. David Ballode is the civil engineer.

Parking Review: Substantial parking requirement of 9 parking spaces. Site plan accounts for 12 parking spaces, 3 of those are for employee parking and are gravel.

Review of landscaping plan and drainage plan.

Electrical plan is under development.

Review of floor plans including 1 bathroom, 1 sink, indoor car storage with a mezzanine level for additional storage.

Exterior materials are non-reflective metal, offering a sleek, under toned façade, dark metal and concrete.

Other items to be detailed include the trash area, snow retention bars, snow storage and removal and fencing detail.

The project will take 6 months and ideally will start as soon as possible with approvals.

Lot 440-15 Application

Ellen Williamson and Chris Grout present application on behalf of Dr. Steve Smolen, tenant, to use the existing facility as a boarding, doggy daycare and grooming facility with an improved fenced area.

Ideally, the grooming facility can be opened while the boarding center is finalized. Working with the State of Colorado for approval.

No construction is needed inside the building beside paint.

Consideration to replace the garage door, improve fencing, additional exterior lighting and signage.

Applicant requests signage be approved via email. DRB agrees however final project approval requires an additional meeting.

Discussion of notification requirements.
